The Commission should, however, grant MediaOne's request and clarify Order No. PSC-99-2009-FOF-TP ~~such that whether MediaOne is required to install a NID within a MDU residence depends upon the situation.~~

ordering that MediaOne is not required to install a condominium NID within an MDU residence when the first pair of NTW is provided by BellSouth for MediaOne's use and that MediaOne be required to install a condominium NID when the technical circumstances dictate.
