Re: 991812-SU Application for transfer of Certificate #492-S in Franklin County from Resort Village Utility, Inc. to SGI Utility, L.L.C.

Dear Ms. Christensen,

Pursuant to your phone call of Feb. 1, 2000, my specific situation in relation to the Resort Village Utility Inc.'s sewer proposal is that I live adjacent to the resort Village and the proposed sewer plant would be a few hundred feet from my home and property. I am certain that my property values will be diminished significantly by the placement of a sewer plant adjacent to my home. In addition, I and my family will be negatively impacted by noxious odors and the noise of equipment used in this facility. My home is directly southeast from the proposed plant, in a completely residential neighborhood. In addition to my objection, Mr. John Cullen who is in the process of building a home on the lot immediately abutting the plant site, has requested that he be permitted to express his objections to this site and the negative impact he will suffer when this matter is heard.

As per your request, I will send a copy of this letter to the Resort Village Utility, Inc.

Yours truly,

Thomas H. Adams
