RE: DOCKET NO. 990249-EQ - Petition by Florida Power & Light Company for approval of a standard offer contract and revised COG-2 tariff.

Issue 1: Should the First Amended Petition of Florida Power & Light Company for Approval of a Standard Offer Contract be approved?

Recommendation: Yes. The proposed Standard Offer Contract is consistent with Rule 25-17.0832(4)(a), Florida Administrative Code. The proposed Standard Offer Contract no longer contains a "regulatory out" clause and is based upon a 163 MW combustion turbine unit similar to what is being installed at the Fort Myers site. The proposed contract contains a 5 MW subscription limit. In addition, the amended Standard Offer Contract contains a two-week open solicitation period, a 10% equity adjustment, and a five-year term.
