BACKGROUND

Sunny Shores Water Company, Inc. is a Class C utility which provides water and wastewater service to approximately 262 residential and two commercial customers in Manatee County. The utility has been providing service since 1969. The utility receives bulk water and wastewater service from Manatee County. The Commission received jurisdiction of private water and wastewater utilities in Manatee County on October 10, 1995. Staff has used the historical twelve month period ending December 31, 1999 for a test period for setting the proposed rates.

CURRENT AND PRELIMINARY RATES AND CHARGES

Staff has compiled the following rates and charges for the purpose of discussion at the customer meeting. These rates are preliminary and subject to change based on information gathered at the customer meeting, further staff review, and the proposed decision by the Commissioners. The utility is currently under a flat rate and quarterly billing system; however, staff is preliminarily proposing a base facility and gallonage charge rate structure on a quarterly and monthly billing system. The utility's current and staff's preliminary rates and charges are as follows:

Quarterly Residential and General Service Water Rates

| | <u>Existing Quarterly Rate</u> | <u>Staff's Preliminary Rate</u> |
|---------------------------------------|------------------------------------|-------------------------------------|
| Flat Rate: | \$51.76 | N/A |
| Base Facility Charge: | N/A | \$45.44 |
| Gallonge Charge: | | |
| Below 10,800 gallons (Per Quarter) | \$0.00 | \$1.04 |
| Above 10,800 gallons (Per Quarter) | \$1.36 | \$1.36 |

Or in the Alternative

Monthly Residential and General Service Water Rates

| | <u>Existing Monthly Rate</u> | <u>Staff's Preliminary Rate</u> |
|------------------------------------|----------------------------------|-------------------------------------|
| Flat Rate: | \$17.25 | N/A |
| Base Facility Charge: | N/A | \$15.15 |
| Gallonge Charge: | | |
| Below 3,600 gallons (Per Month) | \$0.00 | \$1.04 |
| Above 3,600 gallons (Per Month) | \$1.36 | \$1.36 |

STAFF REPORTS

The results of staff's preliminary investigation will be contained in a staff report. Copies of the report may be examined by interested members of the public 24 hours a day on the bulletin board at the following location:

Clubhouse located at 11500 38th Avenue West
Bradenton, Florida 34210

PROCEDURES AFTER CUSTOMER MEETINGS

After the meeting, Public Service Commission Staff will prepare a recommendation which is scheduled to be submitted to the Public Service Commission on March 16, 2000. The Public Service Commission will then vote on staff's recommendation at its March 28, 2000 agenda conference. The Commission will thereafter issue a proposed agency action (PAA) order containing rates which may be different from those contained in staff's final recommendation. Substantially affected persons have 21 days from the date the PAA order is issued to protest the Commission's proposed agency action order. Five to ten customers or persons who attend the meeting and who wish to receive a copy of the recommendation and the order should so indicate at the meeting. Those individuals are expected to distribute the information in the recommendation and the order to other customers. Anyone who is unable to attend and who wishes to obtain a copy of the recommendation or the order may do so in writing to the Commission at the address at the end of this notice.
