 Subject: Cancellation of 2/22/00 Agenda continuation - relay

This is to advise that the continuation of the Docket No. 991222 agenda item from the regular 2/15/00 agenda to 8:30 on Tuesday, 2/22 has been cancelled. Please make all necessary arrangements to cancel the agenda including cancelling court reporter and interpreters.

This item dealt with an interim relay contract to provide relay service during a DOAH hearing on the bid award protest filed by AT&T. AT&T has filed with DOAH a notice of voluntary dismissal and there does not appear to be any need for an interim contract at this time.
