Sally, there is only ONE document still outstanding from my earlier list of confidential documents:

11878-99 - AT&T response to 6/1/99 and 7/30/99 staff letters

I have received a directive to return every other document on the list, with the exception of 11878-99. Was it overlooked? If so, I will be glad to "append" this e-mail to one of the memos directing return of documents, depending on your response.
