RE: AVANA Communications Corporation

000263-7

Dear Ms. Vayo:

AVANA Communications, in an effort to simplify the operations of its CLEC, has decided to drop the name AVANACom which was originally entered in the IXC/LD filings. AVANA is requesting that all documents on file with the Public Service Commission reflect the company's name as "AVANA Communications" in place of "AVANA Communications Corporation d/b/a AVANACom". All future filings will also reflect only "AVANA Communications" as the name that will be used for operating the CLEC and IXC.

AVANA Communications Corporation filed for CLEC and IXC authority with the Florida Public Service Commission in Docket 991322-TI. "AVANA Communications Corporation" will be operating its CLEC and IXC services under the name of "AVANA Communications".

Thank you for your help in this important matter and if you have further questions you may contact me directly.

Sincerely,

David Reese  
Associate Manager

RE: AVANA Communications Corporation d/b/a AVANA Com

Dear David,

AVANA Communications, in an effort to simplify the operations of its CLEC, has decided to drop the name AVANA Com which was originally filed in the IXC/LD filings. AVANA requests that CHR Solutions change FCC and state tariffs, Secretary of State and Public Service Commission documents from "AVANA Communications Corporation d/b/a AVANA Com" to "AVANA Communications". All future filings should also reflect only "AVANA Communications" as the name that will be used for operating the CLEC and IXC.

Sincerely,

James M. Blanchard
