Marshall Willis, Division of Water and Wastewater *MW*

RE: Request to withdraw Item #29, Docket No. 991643-SU - Application for increase in wastewater rates in Seven Springs System in Pasco County by Aloha Utilities, Inc.

Attached is the request of Aloha Utilities, Inc. (Aloha or utility) for withdrawal of Item 29, from the February 29, 2000 Agenda Conference. On February 9, 2000, the utility filed a Petition for Emergency Rule Variance of Rule 25-30.440(1)(a) and (b), Florida Administrative Code. In the letter dated February 24, 2000, the utility stated that it has been able to file the information required by Rule 25-30.440(1)(a) and (b), Florida Administrative Code. Therefore, since an emergency rule variance is no longer required the utility withdraws its Petition for Emergency Variance.
