Mr. Larry W. Boyd d/b/a

Tampa, FL 33619

Dear Mr. Boyd:

Rule 25-24.520, Florida Administrative Code, Reporting Requirements, states:

- (1) Each pay telephone service company shall file with the Commission's Division of Telecommunications updated information for the following items within ten days after a change occurs:
  - (a) The street address of the certificate holder including number, street name, city, state and zip code, and the mailing address if it differs from the street address.
  - (b) Name, title, and phone number of the individual responsible for contact with the Commission.

In April, the US Postal Service returned mail that was addressed to you. On August 25, 1999, I called the telephone number we had on file for you, 813-988-4140, and left a detailed voice mail message asking for a return call. By September 9, 1999, I had not received a return call, nor had the Commission received updated reporting requirements from you; therefore, Docket No. 991356-TC was opened. On December 20, 1999, Order No. PSC-99-2498-PAA-TC was issued, which imposed a \$500 fine or canceled your certificate. You had until January 10, 2000 to respond to the Order.

I was recently notified that on December 31, 1999, you mailed the 1999 regulatory assessment fee return, along with your check for \$50.00, for the period March 2, 1999 to December 31, 1999. You also provided the Commission with a new address and telephone number.

If you wish to keep your certificate active, you need to make a settlement offer. In other cases dealing with this rule violation, the Commission has accepted a \$100 settlement in lieu of the \$500 fine assessed. The settlement letter needs to include the following:

PFA  
 NPP  
 CAF  
 DMU  
 DTR  
 EAG  
 EGU  
 MAS  
 OTC  
 RRR  
 SEC  
 MAW  
 OTH

- Docket number;
- Statement that in the future, you will notify the Commission of any change in address or telephone number within 10 days of the change;
- Make a specific monetary settlement;

Any settlement offer should be addressed to Ms. Blanca Bayó, Director, Division of Records and Reporting, Florida Public Service Commission, at the above address. As information, the proposed settlement amount should **not** be paid at this time. It will become due after the Commissioners vote on this issue.

Please respond in writing by March 7, 2000 and let me know how you wish to proceed.

Sincerely,

Paula J. Isler, Research Assistant  
Bureau of Service Evaluation & Compliance
