1. Name of the entities claiming foreign utility company status, its business address, and a description of the facilities used for the generation, transmission and distribution of electric energy for sale or for the distribution at retail of natural or manufactured gas. Identify each company that holds an interest in the foreign utility company and describe the interest held.

SEI OPERADORA de ARGENTINA S.A.
c/o Southern Energy, Inc.
900 Ashwood Parkway, Suite 500
Atlanta, Georgia 30338

Southern Energy, Inc. ("SEI"), a wholly-owned subsidiary of The Southern Company, a registered holding company, on behalf of SEI Operadora de Argentina S.A. ("SEI Operadora"), a corporation organized under the laws of Argentina, claims exemption for SEI Operadora as a "foreign utility company" pursuant to Section 33(a) of the Act. SEI indirectly owns all of the issued and outstanding shares of common stock of SEI Operadora. SEI Operadora operates the Alicurá hydroelectric complex in the provinces of Neuquén and Rio Negro, Argentina, and owned by Hydroeléctrica Alicurá S.A., a Foreign Utility Company. The complex is located on the Limay River and uses the Negro Basin. The complex is approximately 33 kilometers from the city of San Carlos de Bariloche. The size of the dam is 850,000 meters long with a total volume of 13,000,000 cubic meters. The installed generating capacity is 1,000 MW consisting of four generating units. Notice of the Foreign Utility Company status of SEI Operadora was previously filed prior to the adoption of Rule 57, on or about May 25, 1993. This new electronic filing is made for the convenience of the Commission.

2. Name of any domestic associate public-utility company and, if applicable, its holding company, and a description of the relationship between the foreign utility company and such company.

The claimant is an associate company of the following domestic public-utility companies:

Georgia Power Company
Alabama Power Company
Mississippi Power Company
Gulf Power Company
Mobile Energy Services Company, L.L.C.
Savannah Electric and Power Company
Southern Electric Generating Company

The top registered holding company of the above associate public-utility companies is The Southern Company. None of the foregoing domestic public utility companies has made an investment in or has any contractual relationship with the Foreign Utility Company, and no such investment or contractual relationship is contemplated.
