Re: MGC IXC Certificate, Docket No. 991865-TI

Dear Ms. Bayo:

It has come to my attention that a docket has been opened to cancel MGC Communications, Inc.'s ("MGC") IXC Certificate for failure to pay the associated regulatory assessment fees. Attached please find copies of the 1998 IXC Regulatory Assessment Fee Return and check, sent to the Florida Public Service Commission ("Commission") on 12/16/99.

MGC initially had just an ALEC certificate (which fees were paid), only receiving the IXC certificate on 12/5/98. I am personally aware that MGC has received both the ALEC and the IXC assessment forms for 1999 and that they should be paid within the appropriate period. We believe we now have adequate records and structure in place that this oversight should not occur again.

Please accept our offer of a \$100 settlement to close the file on the inadvertent rule violation. Thank you for your assistance in this matter.
