DOCKET NO. 000007-EI  
FILED: APRIL 3, 2000

PETITION FOR APPROVAL OF ENVIRONMENTAL  
COST RECOVERY TRUE-UP FOR THE PERIOD  
JANUARY 1999 THROUGH DECEMBER 1999

Florida Power & Light Company ("FPL") hereby Petitions this Commission for approval of FPL's final Environmental Cost Recovery true-up amount of \$1,801,104 overrecovery for the period January 1999 - December 1999 and an overrecovery of \$1,644,089 as the adjusted net true-up amount to be refunded in the January 2001 through December 2001 period. In support of this Petition, FPL states as follows:

1. The final \$1,801,104 Environmental Cost Recovery overrecovery for the period January 1999 - December 1999, was calculated in accordance with the methodology set forth in Schedule A-2 for the Fuel Cost Recovery Clause, attached to Order 10093 dated June 19, 1981. This calculation and the supporting documentation are contained in the prepared testimony of FPL witness K.M. Dubin, which is being filed together with this Petition and incorporated herein.

2. In Order No. PSC-99-2513-FOF-EI issued December 22, 1999, the Commission approved \$157,015 overrecovery as the estimated/actual environmental cost recovery true-up for the period January 1999 through December 1999.

3. The adjusted net true-up to be refunded in the period beginning January 1, 2001, is an overrecovery of \$1,644,089 which is the difference between the actual true-up of \$1,801,104 overrecovery and the estimated/actual true-up of \$157,015 overrecovery.

WHEREFORE, Florida Power & Light Company respectfully requests the Commission to approve the net \$1,801,104 environmental cost recovery overrecovery as the final true-up amount for the period ending January 1999 and December 1999, respectively, and an overrecovery of \$1,644,089 as the adjusted net true-up amount to be carried forward to the period beginning January 2001.

DATED this 3rd day of April, 2000.

Respectfully submitted,
