This is a follow up to our telephone conversation. The Commission received your check for \$69.00 on February 14, 2000. This check was credited to another company because I inadvertently provided you the wrong docket number (991569-TI). Your correct docket number is 991869-TI. To further confuse the matter, you enclosed the 1999 RAF form with the check instead of the 1998 RAF form.

So that everything can be corrected, please enclose a cover letter with your check for \$56.00 (\$50.00 fee, \$5.00 penalty, and \$1.00 interest) for the 1999 RAF. Reference the correct docket number (991869-TI) and state that the check for \$56.00 should be applied to the 1999 RAF for IDT and that the check you previously mailed on February 11 (the FPSC received it on February 14) should be applied to the 1998 RAF for IDT. You also need to state whether or not IDT had any intrastate revenues for 1999.
