RE: Docket 000012-TL

Dear Mr. Cordiano:

Pursuant to our conversations last week, as well as your e-mail to myself and Rhonda Merritt at AT&T, MediaOne's letter dated October 9, 1999, as attached documentation are longer confidential and the confidential classification may be removed. Specifically, the filing numbers in the FPSC CASR system are 12184-99 and 12185-99. As I stated to you over the phone, I am still employed by MediaOne, and am authorized to execute this letter.

Please call at (404) 810-8550 if you need anything further.

Sincerely,

James P. Campbell

Jim, thanks for your telephone call a minute ago. The e-mail I sent to Rhonda is shown below. Kay--Jim would like for you to fax the documents to him because he hasn't been able to locate them. Thanks.

Rhonda, you mentioned that James Campbell is very busy at work for AT&T (formerly with MediaOne) so you will file the "declassification" letter for documents 12184-99 and 12185-99. Please note that these documents were filed under 990000 (i.e., the "undocketed/pending 1999 filings" category) but are now filed under Docket No. 000012-TL. Please reference the docket/document numbers in your letter. Thank you in advance.

P.S. Kay, you're probably wondering why Rhonda (AT&T) will be handling the declassification of MediaOne's documents. Technically, someone from MediaOne needs to declassify the documents because the AT&T/MediaOne merger hasn't been finalized yet. James mentioned he'd explain all of this in the letter (or I guess Rhonda will now that she's handling the letter.) Rhonda, please make sure to explain.
