Re: Dana Utility Company
Docket No. 991632-WS

Dear Patricia:

Thanks for meeting with us last week to discuss the concerns raised by some of the Commissioners at the March 28 Agenda Conference.

Based on our discussions, Dana is in the process of preparing a written submission that will summarize the current status of the utility permitting and other efforts, and will respond to some of the legal questions asked by the Commissioners.

I expect to be able to submit that response to the staff by the week of May 1st.

If there are any further questions that I can answer in the interim, please give me a call.

Very truly yours,

Richard D. Melson
