Re: Notification of the Transfer of Control in Ownership of
of Gateway Technologies, Inc. to T-NETIX, Inc.

Dear Mr. D'Haeseleer:

On June 11, 1999 the attached letter was sent to you notifying the Commission of a transfer of control for Gateway Technologies, Inc. ("Gateway"). A review of our files found that receipt of this filing was not acknowledged by the Commission at that time.

It was recommended by members of the Commission's Records and Reporting staff that a copy of the attached letter be resent to you to ensure that the Commission's information about Gateway is appropriately updated.

Please acknowledge receipt of this re-notification by date-stamping the extra copy of this letter and returning it to me in the self-addressed, stamped envelope provided for this purpose. Questions regarding this filing may be directed to me at (407) 740-8575.

Yours truly,

Hal Stringer

Re: Notification of the Transfer of Control in Ownership of
of Gateway Technologies, Inc. to T-NETIX, Inc.

Dear Mr. D'Haeseleer:

This letter is sent on behalf of Gateway Technologies, Inc. ("Gateway" or "Company") as notification to the Florida Public Service Commission that the Company has entered into an agreement to become a wholly-owned subsidiary of T-NETIX, Inc. ("T-NETIX"). Closing for this transaction is anticipated to occur by June 14, 1999, subject to the required regulatory agency approvals. No changes are required to the certificate of Gateway Technologies, Inc. as the Company will not merge with T-NETIX, Inc. but will remain a separate entity.

Parties to the Transaction:

Gateway Technologies, Inc. provides automated operator assisted calling for use by inmates of prisons, jails and other confinement institutions. Gateway was granted authority to operate within the State of Florida as a Pay Telephone Provider by order dated March 18, 1997, under Docket No. 970132-TC. The company holds Certificate No. 5102. Gateway is currently a privately held corporation organized under the laws of the State of Texas.

T-NETIX is a publicly held Colorado corporation traded on the NASDAQ exchange under the symbol TNTX. The company is a manufacturer of equipment utilized by inmate service providers. In addition, the company also provides automated operator assisted calling for use by inmates of confinement institutions in some jurisdictions. T-NETIX was granted authority to operate in the State of Florida as a Pay Telephone Provider by order dated June 11, 1993, under Docket No. PSC-96-0731-FOF-TX. The company currently provides service to customers at various locations within the state.

T-NETIX has also been granted authority as a Alternative Local Exchange Carrier effective June 25, 1996 (Docket No. PSC-96-0731-FOF-TX) and a long distance reseller effective August 17, 1993 (Certificate No. 8911-U).

Mr. Walter D'Haeseleer, Director
June 11, 1999
Page 2

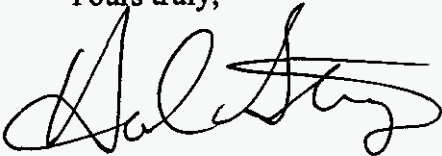

Type of Transaction:

The aforementioned transaction will be accomplished through the creation of a special subsidiary of T-NETIX, Inc. known as T-NETIX Acquisition Corp. ("Acquisition"). Acquisition will merge with and into Gateway, and Gateway will become a wholly owned subsidiary of T-NETIX. Upon completion of the transaction, T-NETIX will own 100% of the outstanding shares of Common Stock in Gateway Technologies, Inc.

This transaction will be transparent to the customers of Gateway as there will be no interruption of service or change in the management or operation of the Company. The transfer of ownership will have no effect on the Company's name, address, contact information, services, rates or terms and conditions of service. The Company will continue to market, brand and bill under the Gateway Technologies, Inc. name.

Please acknowledge receipt of this notification by date-stamping the extra copy of this letter and returning it to me in the self-addressed, stamped envelope provided for this purpose. Questions regarding this filing may be directed to me at (407) 740-8575.
