Dear Ms, Bayo:

I am responding in regards to the cancellation by the Florida Public Service Commission of Comtex Corporations Interexchange Telecommunications Certificate (Docket No. 991867-TI).

Comtex was found to be in violation of rule 25-4.0161 for failure to submit the regulatory assessment fee for 1998. Comtex wishes to keep it's certificate active. As a result, I have included the 1998 RAF plus accrued penalty and interest charges. Comtex would also like to make a settlement offer in the amount of \$100 to the Commission in an attempt to resolve this docket.

I will ensure that Comtex Corporation will remain in compliance with the requirements of the Florida Public Service Commission, and will prevent any future late payments of the regulatory assessment fee. Please feel free to contact me with any questions or concerns at (206) 436-2302.

Sincerely

Daniel J. Ott

Regulatory Manager
