Re: Approval of an Amendment to the Interconnection Agreement Negotiated by North American ("BellSouth") and Telecommunications, Inc. BellSouth Telecommunications Corp. pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and North American Telecommunications Corp. are submitting to the Florida Public Service Commission an amendment to their negotiated agreement for the interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the BellSouth's telecommunications services to North American of resale Telecommunications Corp. The Commission approved the initial agreement between the companies in Order No. 98-1452-FOF-TP issued August 7, 1998 in Docket 981010-TP.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and North American Telecommunications Corp. within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and therefore. are very hopeful that the Commission shall approve their agreement.

Very truly yours,

Jarshall M. Cricer III julatory Vice President (24) RECEIVED & FILED
