In re: Application for rate increase in Martin County by Indiantown Company, Inc.

Dear Ms. Bayo:

Order No. PSC-00-0912-PCO-WS, Docket No. 990939-WS, issued May 8, 2000, approved interim water and wastewater rates to be effective for service rendered on or after the stamped approval date on the tariff, provided customers have received notice.

Tariff sheets were approved on April 24, 2000, and notice that Indiantown Company, Inc. will collect interim rates with the billing on June 1, 2000, was provided to customers with the bill on May 1, 2000, as stated in the attached affidavit.

We believe that the company has complied with all pre-requisites to permit billing of the interim rates, and billing of interim rates will begin June 1, 2000.

Sincerely,

David B. Erwin

Dear Indiantown Company Customer:

Indiantown Company, Inc. has previously provided notice to you that the company has applied to the Florida Public Service Commission (FPSC) for a rate increase for its water and wastewater service in Martin County. The application has been given FPSC Docket No. 990939-WS. Indiantown Company, Inc. has applied for both permanent and interim rates.

On April 18, 2000, the FPSC met at its regularly scheduled Agenda Conference to consider the company's request for interim rates. After review of the FPSC staff recommendation, the Commission voted to approve the staff recommendation, thereby authorizing the company to design rates to produce additional annual operating revenues on an interim basis of \$58,133 for water and \$180,355 for wastewater, increases of 11.94% for water and 33.15% for wastewater. The interim rates produced by the increases are as follow:

WATER

Residential, General Service

Base Facility Charge:

Meter Size
