Re: Enterprise Utilities Inc., Docket No. 000242-WS

To Whom It May Concern:

This will confirm that the County of Volusia, a political subdivision of the State of Florida, which has been appointed as successor receiver to the referenced utility by the Circuit Court of the Seventh Judicial Circuit, does not wish to waive its exemption from regulation as set forth in Chapter 367 of the Florida Statutes.

That is, as a governmental entity, it is the County's understanding that the Florida Public Service Commission does not have jurisdiction to regulate rates, terms and conditions of service for the referenced utility which is being operated by the County.

Please contact me if you need any clarification.

Sincerely,

Matthew G. Minter
Assistant County Attorney
