RE: Docket No. 991632-WS - Application for original certificate to operate water and wastewater utility in Bay County by Dana Utility Corporation.

Request for Extension of Time to File Recommendation for July 11, 2000 Agenda Conference

We are requesting an extension of time to file a recommendation for the July 11, 2000 Agenda Conference in the above-referenced docket. Among other things, the recommendation will address the utility's Motion for Extension of Time until August 20, 2000, in which to file rates and charges information. For this reason, a recommendation should be filed for the July 11, 2000, Agenda Conference.

However, on June 28, 2000, staff received additional information from the utility that should be incorporated into the recommendation. In order to adequately address this matter, staff requests that it be allowed to file its recommendation by 2:00 p.m., Friday, June 30, 2000.
