BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Initiation of limited proceeding to restructure wastewater rates for Florida Water Service Corporation's Tropical Isles service area in St. Lucie County.

DOCKET NO. 970409-SU ORDER NO. PSC-00-1197-PCO-SU ISSUED: July 3, 2000

ORDER GRANTING JOINT MOTION FOR ABATEMENT AND CONTINUANCE

On June 21, 2000, Florida Water Services Corporation (Florida Water or utility) and the Office of Public Counsel (OPC), filed their Joint Motion for Abatement and Continuance (Motion).

In the Motion, Florida Water and OPC specifically request a full abatement and continuance of all controlling dates, including the hearing dates established by Order No. PSC-00-2034-PCO-SU, issued June 12, 2000. Florida Water, OPC, and representatives of the Tropical Isles customers, have been meeting over the past several months to reach an agreement on the sale of Florida Water's facilities to an exempt entity comprised of/controlled by the Tropical Isles customers. Therefore, Florida Water and OPC maintain that the time and resources of the parties, the Commission and our staff, would be conserved by the abatement and continuance of this proceeding pending the disposition and closure of the sale of the Tropical Isles facilities. Further, the parties state that they will file a progress report by July 31, 2000, concerning the status of the sale of the utility.

In consideration of the foregoing, the Joint Motion for Abatement and Continuance by Florida Water and OPC shall be granted, and with approval of the Chairman, all controlling dates, including the hearing dates shall be held in abeyance for a period of 60 days pending the potential disposition and closure of the sale of the Tropical Isles facilities. The parties shall apprise the Commission of progress made in this regard by filing a progress report by July 31, 2000.

Based on the foregoing, it is

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that the Joint Motion for Abatement and Continuance filed by
