- re: (1) Certification Application
Enhanced Global Convergence Services Inc. d/b/a eGCS
- (2) Request for Confidential Treatment of Financial Exhibit

Dear Ms. Bayo:

Enclosed please find an original and five (5) copies of a certification application (long distance / prepaid debit cards) for the above-referenced company. Also enclosed is a \$250 check for the filing fee.

Pursuant to Florida Statutes Secs. 364.18 and 364.183, confidential treatment is respectfully requested for the financial statements furnished to support the application. This detailed financial information (Exhibit 3) would not normally be made available to competitors, and its public disclosure would provide an unfair advantage to competitors, who could analyze the company's revenues and expenses. Consequently, one copy of Exhibit 3 is provided in a sealed envelope marked "confidential."

An extra copy of this letter is enclosed, and I ask you to stamp it as received and return it in the envelope provided. Please do not hesitate to call if we can be of assistance.

Very truly,

Brian D. Robinson

re: Innovative Telecom Corp.

Dear Ms. Bayo:

This letter is to inform the Commission that Innovative Telecom Corp. (holder of a Florida certificate to provide long distance service, Company Code T1515, Certificate Number 4716) has sold its assets to Enhanced Global Convergence Services Inc. d/b/a eGCS ("eGCS"), a New Hampshire Corporation authorized to do business in Florida. eGCS is today filing an application for its own certificate to provide long distance / prepaid calling service in Florida. Since the asset transfer, Innovative and eGCS have cooperated in the provision of service under the Innovative certificate.

It is our understanding following conversations with Commission staff that no formal application for approval of the asset transfer is necessary.

An extra copy of this letter is enclosed for your records. I ask you to stamp as received the copy of the letter marked "stamp & return" and send it in the envelope provided. Please do not hesitate to call if we can be of assistance.

Very truly,

Brian D. Robinson

TARIFF FORMAT SHEETS

A. **Sheet Numbering** - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. Then a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

B. **Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the FPSC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc, the FPSC follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.

C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.(a).
- 2.1.1.A.1.(a).I.
- 2.1.1.A.1.(a).I.(i)
- 2.1.1.A.1.(a).I.(i).(1).

D. **Check Sheets** - Then a tariff filing is made with the FPSC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. Then new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the FPSC.

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Prepaid Calling Card Service.

This service permits use of the Company's Prepaid Calling Cards for placing long distance calls. Customers may purchase the Company's Prepaid Calling Cards at a variety of retail outlets or through other distribution channels. Prepaid Calling Cards are available at a variety of face values ranging from ten dollars (\$10.00) to fifty dollars (\$50.00) in ten dollar increments. The Company's Prepaid Calling Card service is accessed using the Company's toll-free number printed on the card. The caller is prompted by an automated voice response system to enter his/her Authorization Code, and then to enter the terminating telephone number. The Company's processor tracks the call duration on a real time basis to determine the value consumed. The total value consumed, which includes applicable taxes, is deducted from the remaining balance on the Customer's Prepaid Calling Card. The rate at which a Prepaid Calling Card is decremented depends on the Rate Plan associated with that Prepaid Calling Card. Rate Plans are described in Section 4 below.

All calls must be charged against a Prepaid Calling Card issued by the Company that has a sufficient balance to pay for the call. A Customer's call will be interrupted with an announcement when the balance is about to be depleted. Such announcement will occur when one (1) minute remains before the balance will be depleted, based upon the terminating location of the call.

Calls in progress will be terminated by the Company if the balance on the Prepaid Calling Card is insufficient to continue the call and the Customer fails to enter the number of another valid Prepaid Calling Card prior to termination.

Prepaid Calling Cards will expire at the time printed on the card.

SECTION 3 - DESCRIPTION OF SERVICE, CONT.

3.1 Prepaid Calling Card Service, Cont.

Credit allowances for calls pursuant to the Company's Prepaid Card Service do not apply for interruptions not reported promptly to the Company or interruptions that are due to the failure of power, equipment or systems not provided by the Company.

Credit for failure of service shall be allowed only when such failure is caused by or occurs due to causes within the control of the Company.

The Company will block all calls beginning with the NPA "900", and NXX "976" calls, therefore such calls can not be completed.

3.2 Specialized Pricing Arrangements.

Customized service packages and competitive pricing packages at negotiated rates may be furnished on a case-by-case basis in response to requests by Customers to the Company for proposals or for competitive bids. Service offered under this tariff provision will be provided to Customers pursuant to contract. Unless otherwise specified, the regulations for such arrangements are in addition to the applicable regulations and prices in other sections of the tariff.

SECTION 4 - RATES

4.1 Computation of Charges

There are three rate components used in calculating the total charge for each intrastate call made using the Prepaid Calling Card Service: (1) a Payphone Surcharge assessed once per call for calls originating from a payphone, (2) a Domestic Rate that is assessed for each minute that the call continues, and (3) a Domestic Surcharge assessed once per call, including those calls for which the Payphone Surcharge also applies. The Payphone Surcharge, Domestic Rate, and Domestic Surcharge constitute the particular Rate Plan that is associated with each Prepaid Calling Card. Current Rate Plans are set forth in Section 4.2.

In addition to the above, a separate surcharge is assessed for directory assistance calls, where such calling is available. This charge is stated at the conclusion of 4.2 below. Separate non-regulated charges are assessed for wireless and audio text calls.

- re: (1) Certification Application
Enhanced Global Convergence Services Inc. d/b/a eGCS
- (2) Request for Confidential Treatment of Financial Exhibit

Dear Ms. Bayo:

Enclosed please find an original and five (5) copies of a certification application (long distance / prepaid debit cards) for the above-referenced company. Also enclosed is a \$250 check for the filing fee.

Pursuant to Florida Statutes Secs. 364.18 and 364.183, confidential treatment is respectfully requested for the financial statements furnished to support the application. This detailed financial information (Exhibit 3) would not normally be made available to competitors, and its public disclosure would provide an unfair advantage to competitors, who could analyze the company's revenues and expenses. Consequently, one copy of Exhibit 3 is provided in a sealed envelope marked "confidential."

An extra copy of this letter is enclosed, and I ask you to stamp it as received and return it in the envelope provided. Please do not hesitate to call if we can be of assistance.

Very truly,

Brian D. Robinson
James H. Lister
