Re: Golden Harbor of Florida, Inc. dba Hometown Telephone of Florida, Inc. ("Hometown Telephone") Florida Public Service Commission Certificate to Operate as an Interexchange Telecommunications Company effective September 12, 1997, Certificate No. 5212 in Docket No. 970716-TI, Order No. PSC 97-0995-FOF-TI (the "Certificate")

Dear Mr. D'Haeseleer:

Hometown Telephone requests cancellation of the above-referenced Certificate effective as of July 10, 2000, because it is not providing interexchange telecommunications services in Florida under the Certificate. The Regulatory Assessment fees assessed for the year 2000 will be remitted when due. Since Hometown Telephone did not commence providing interexchange telecommunications services in Florida, no customer deposits were collected and no final bills were issued. No end user customers in Florida are affected.

Please confirm receipt of this letter by file stamping the acknowledgment copy and returning it to me in the enclosed self-addressed, stamped envelope.

Sincerely,

Harold E. Lovelady
President
