Mr. Eldredge has been President, Chief Operating Officer and Director of the company since December 1999. From April 1996 until his employment with Global Broadband, Mr. Eldredge was President and Director of Comav Corporation. Comav was one of the first facilities-based competitive local exchange companies operating in western Massachusetts. Prior to joining Comav, Mr. Eldredge spent thirty years with Bell Atlantic (NYNEX) where he had significant management and operational responsibilities in New York. Mr. Eldredge served as Director of Regulatory Affairs and has extensive regulatory experience with the New York Public Service Commission. Mr. Eldredge served as Director of Network Operations and was responsible for overseeing telephone operations in the midtown and financial district of southern Manhattan, New York. Mr. Eldredge holds a Bachelor of Business Administration from the City College of New York and attended the Executive Program at the University of Virginia.

Steve Levy

Executive Vice President, Sales

Mr. Levy has more than nineteen years in the telecommunications industry. For the year prior to joining Global Broadband he was Vice President of North American Sales for Call Sciences. From February 1993 until January 1999 he held the position of vice President - General manager for MFS in its Intelenet's division for the New York/ New Jersey region, during the company's most explosive growth phase. From 1990 to 1992 Mr. Levy held the position of Director of Agency Sales for International Telecharge Inc. (ITI) and during the prior eight years held numerous positions in sales and sales management for Sprint. Steve Levy earned a Bachelor of Science Degree in Computer Science from Northern Illinois University.

George MacEwen

Chief Financial Officer

Mr. MacEwen is Chief Financial Officer of Global Broadband and brings with him over thirty years of financial experience and expertise at Bell Atlantic. Prior to joining Global Broadband, Mr. MacEwen was a Director with Bell Atlantic. His career there included extensive involvement with the analysis, planning and resource allocation for the operational units of Bell Atlantic. Mr. MacEwen earned his Bachelor of Science Degree in Mathematics from Long Island University and an Executive Master's Degree in Business Administration from Pace University.

MANAGEMENT PROFILES

GLOBAL BROADBAND, INC.

Michelle Craft

Vice President, Marketing

Ms. Craft has twenty years experience working with and for telecommunications companies. Prior to joining Global Broadband, Ms. Craft was Marketing Officer for DeWolff, Boberg and Associates, a management consulting firm to Fortune 500 companies. From 1988 to 1998, Ms. Craft was Vice President of Marketing and New Business Development for Evans Group (division of Publicis-Bloom, a top 25 advertising and public relations firm) directing hi-tech and telecom accounts. After serving as Director of Research at the National Cable TV Association for four years, Ms. Craft owned and operated more than a dozen cable TV systems that were subsequently sold to CapCities TV (now Disney/ABC). She earned a Bachelor of Arts Degree in Business from Catholic University in Washington D.C.

Alfons Bielecki

Chief Technical Officer

Mr. Bielecki is Chief Technical Officer of Global Broadband, Inc. For thirty two years prior to joining the company, Mr. Bielecki was employed by Bell Atlantic where he held management, operational and technical positions in most facets of the telecommunications business. Mr. Bielecki served as Director of Area Operations in upstate New York and was responsible for the provisioning and maintenance of the digital network in Western New York. He was extensively involved with Bell Atlantic's DSL operations and served as Technical Consultant for Telcordia Technologies, facilitating a DSL Solution Overview for Bell Atlantic's DSL implementation team and DSL capacity management engineers. Mr. Bielecki holds a Bachelor of Science Degree in Business Administration from Empire State College.

Global Broadband, Inc.

EXHIBIT III

TECHNICAL CAPABILITY

TECHNICAL CAPABILITY

The company intends to provide local services initially as a reseller of other carriers' facilities. As a reseller, Global Broadband, Inc. will rely on its facilities-based underlying carriers for the operation and maintenance of the local exchange network. The company will use only reputable underlying carriers, certificated in the state of Florida, to ensure that high quality service is provided to customers.

In the future, Global Broadband, Inc. intends to enter into a UNE-P agreement with those LECs providing such an offering. This will allow the company, as facilities-based, to provide more flexibility in its service offerings.

Global Broadband, Inc. proposes to use BellSouth, Sprint and GTE as its underlying carriers for local respectively.

The profiles of key personnel provided in Exhibit II of this application provide further evidence of the Company's technical capability to provide local services.
