There will be an issue identification meeting in the above-referenced docket at the following time and place:

Wednesday, August 9, 2000, at 2:00 p.m.  
Room 362, Gerald Gunter Building

The purpose of this meeting will be to identify and discuss the issues involved in this docket. Parties are advised that the issues in this proceeding will be limited to those issues raised in the Petition and in the Response, if any, in accordance with Section 252(b)(4) of the Telecommunications Act of 1996.

Parties are reminded that it is the responsibility of the parties themselves to present evidence sufficient to support their case. It is not the responsibility of Commission staff to build the record for the parties. As such, the parties should be advised that, to the extent that they do not present evidence sufficient to provide a basis for a Commission decision on an issue, Commission staff may recommend that the Commission dismiss that issue because the record is inadequate or insufficient.
