BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Investigation of Fuel Cost Recovery Clauses of Electric Utilities DOCKET NO. 000001-EI Filed August 21, 2000

MOTION FOR EXTENSION OF TIME

Florida Power & Light Company ("FPL") hereby files this Motion for Extension of Time to file it's "Estimated/Actual True-up Filing" in this Docket and request that the filing date be extended two days from August 21, 2000 to August 23, 2000. In support of this Motion, FPL states:

1. The date scheduled by the Commission for the "estimated/actual filing" is August 21, 2000. FPL considers it advisable to complete additional steps and review before filing and would need two days for that purpose.

2. FPL does not believe that the requested two day extension will adversely affect any party to this docket. FPL has contacted the office of Public Counsel who does not object to this extension. FPL has not been able to contact the Commission staff attorney or the attorneys for FIPUG. FPL has not sought to contact the attorneys for the other electric utilities because the subject of the filing in question does not affect them. WHEREFORE, Florida Power & Light Company hereby files this it's request for a two day extension until August 23, 2000 in which to make its estimated/actual true-up filing in this docket.

Dated this 18thay of August, 2000.

Respectfully submitted,
