Okay. Thanks for the information.

We'll amend the docket title for the record, though it's too late for the order. (The order is right; the docket title on the order is not.)

Linda, please drop the "transfer" portion of this docket title, and also delete the transfer progmod in CMS.

There was a note in the file that said both companies are owned and operated by the same person so it appears that there was not really a transfer of control. Accordingly, I thought the name change was all that was needed.

Lilja, we did issue this order yesterday. Nonnye was just pointing out to me that our docket title says "transfer of, and name change, on IXC Cert 5185 from Quentel to Palm Beach...." This order doesn't mention a transfer at all. It simply acknowledges the name change. Should it have mentioned a transfer?
