NOTICE OF PROPOSED AGENCY ACTION  
ORDER APPROVING EXEMPTION FROM REQUIREMENT THAT EACH TELEPHONE  
STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(13), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

Goran Dragoslavic d/b/a First American Telecommunications Corporation (First American) has filed a Request for Exemption from the requirement that each telephone station shall allow incoming calls from each pay telephone listed below. First American's request includes an attestation by First American, the location provider, and the chief of police that the request is made in order

to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The Request for Exemption for Docket No. 000711 was filed on June 13, 2000. The Notice of Request for Exemption was submitted to the Secretary of State on June 27, 2000 for publication in the Florida Administrative Weekly, pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended July 21, 2000.

Upon consideration, it appears appropriate to grant First American's requests. First American has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, First American has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for First American as the requirement would allow the payphone to be used for continuing criminal activity. Pursuant to Rule 25-24.515(13), Florida Administrative Code, First American must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement." Pursuant to Rule 25-24.515(13), Florida Administrative Code, the exemption from the requirement to receive incoming calls shall not exceed a period of two years from the effective date of this Order. The provider may request another exemption by filing another request.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Goran Dragoslavic d/b/a First American Telecommunications Corporation's requests to block incoming calls at the pay telephone listed in the body of this Order is hereby approved for a period of two years from the issuance date of the Consummating Order. It is further
