**Subject: Sewer Connection for "Lighthouse Pointe" (RE: Docket number
001234-WS)**

Appreciate your timely reply and information concerning this matter, to the effect that there is no statutory requirement for me to hook up to this sewage line, and therefore (essentially) no basis for the references to proposed charges cited in the advertisement.

Based on your information, I have decided that unless I receive contradictory information, I have no intention to persue a hearing on this issue. Thank you again for your information and assistance.
