RE: Docket No. 001064-EI - Petition for determination of need for Hines Unit 2  
Power Plant by Florida Power Corporation

Dear Commissioner Jaber:

This letter is to confirm Panda Energy International, Inc.'s (PEII) acceptance of the terms under which Florida Power Corporation (FPC) will provide third party confidential information to PEII which has been submitted in this docket as prefiled testimony, exhibits or discovery. PEII will apply the terms and conditions of the Confidentiality Agreement which it previously executed and tendered to FPC to all third party documents associated with this proceeding. This was PEII's original intent and we are happy to reiterate that intention and to abide by it.

With regard to the persons who will have access to third party confidential documents they shall be no more than five (5) persons all of whom are employees of, or consultants for, PEII. PEII specifically agrees that it will not disclose any third party information provided in conjunction with this proceeding to Calpine Construction Finance Company or to any of its affiliates.

I trust that I have addressed all outstanding issues regarding the provision of third party confidential materials in this docket. If not, please contact me immediately so that a timely exchange of these documents can be made and PEII can appropriately comply with your October 24<sup>th</sup> ruling on this issue.

Very truly yours,

*Suzanne Brownless*
