Staff believes the following recommendations are appropriate.

DISCUSSION OF ISSUES

ISSUE 1: Should the Commission accept the settlement offer proposed by each company listed on page 4 to resolve the apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

RECOMMENDATION: Yes. The Commission should accept each company's respective settlement proposal. Any contribution should be received by the Commission within ten business days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If any of the companies listed on page 4 fails to pay in accordance with the terms of the Commission Order, that company's respective certificate should be canceled administratively. (Isler)

STAFF ANALYSIS: After the docket was opened, each company listed on page 4 contacted staff and paid the past due amounts in full. In addition, each company listed on page 4 offered a settlement in the amount of \$100 and proposed to pay future RAFs on a timely basis. The \$100 settlement amounts are consistent with amounts the Commission has accepted for recent, similar violations.

Accordingly, staff believes the Commission should accept the companies' settlement proposals. Any contribution should be received by the Commission within ten business days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If any of the companies listed on page 4 fails to pay in accordance with the terms of the Commission Order, that company's respective certificate should be canceled administratively.

ISSUE 2: Should these dockets be closed?

RECOMMENDATION: Yes, if the Commission approves staff's recommendation on Issue 1, the docket for each company listed on page 4 should be closed upon receipt of the \$100 contribution or cancellation of the certificate. (Dandelake)

STAFF ANALYSIS: If the Commission approves staff's recommendation on Issue 1, the docket for each company listed on page 4 should be closed upon receipt of the \$100 contribution or cancellation of the certificate.
