Re: Tel-Link, LLC, ID TX086, Docket No. 001404-TX, Request to Cancel ALEC Certificate

Pursuant to Rule 25-24.820(2), Florida Administrative Code, Tel-Link, LLC ("Tel-Link") hereby requests cancellation of its certificate to provide resold local exchange services in the State of Florida. In furtherance thereof, Tel-Link provides the following information:

- (A) Regulatory Assessment Fee Return: Enclosed is Tel-Link's completed 1999 Regulatory Assessment Fee Return and check for \$78.74 (\$58.33, plus \$14.58 late payment fee and \$5.83 late payment interest).
- (B) Reason for Cancellation: On May 18, 2000, this commission approved the purchase by NOW Communications, Inc. ("NOW") of all of the assets of Tel-Link, LLC in Docket No. 000180-TX, Order No. PSC-00-0978-CO-TX. The former owners of Tel-Link subsequently filed Articles of Dissolution with the Secretary of State's Office. On May 15, 2000, NOW registered the "Tel-Link" trade name with the Secretary of State. On September 21, 2000, NOW filed revised local exchange tariff sheets with the commission indicating that NOW was also operating as "Tel-Link". All former local exchange Tel-Link customers have been migrated to NOW and notice of the asset purchase was provided to those customers. Since NOW is serving those customers under NOW's certificate, there is no need to maintain separate ALEC certification for Tel-Link.
- (C) Customer Deposits/Final Bills: Both Tel-Link and NOW provide service on a prepaid basis only; no deposits are required from customers. Likewise, there is no issue regarding final bills because all Tel-Link customers were migrated to NOW and are being served in the name of "Tel-Link".

DOCUMENT NUMBER-DATE

14715 NOV 158

(D) Customer Notice Regarding Discontinuance: Inapplicable for the above reason.

Please do not hesitate to call or write if additional information is required.

Sincerely,

R. Scott Seab, Esq.
