RE: **Docket No. 000430-WS**
Application by Lake Groves Utilities, Inc. for Amendment of Certificates 534-W
and 465-S to Add Additional Territory in Lake County.

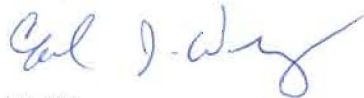

Dear Richard:

This letter is in response to your request for an estimated time for the completion of a cost study for the potential reuse system to serve the Citrus Highlands and Orange Tree residential subdivisions.

At this time, Lake Groves Utilities, Inc. does not have a definite plan for providing reuse in these areas. As such, my best estimate for the completion of a cost study would be approximately May 2002.

If you have any questions, please feel free to contact me.

Sincerely,

Carl J. Wenz
