Re: Docket No. 001456-TX

Dear Ms. Zhu:

This is a follow up to our telephone conversation concerning the above docket. The regulatory assessment fee (RAF) is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. For example, the 1999 fee was due January 31, 2000.

Commission records show that as of this date, the 1999 RAF has not been paid. The 1999 RAF return is attached. Please complete and return it along with your check for the past due amount in full. The RAF is .0015% of your total Florida gross revenues, or \$50.00, whichever is greater. However, if you owe only the **minimum** amount and if it is postmarked by November 26, 2000, the 1999 total is \$67.50 (\$50.00 fee, \$12.50 penalty, and \$5.00 interest). If your check is postmarked between November 27 and December 26, 2000, the interest increases to \$5.50, or a total minimum amount of \$68.00.

Since the Commissioners have not yet voted on this docket, you have three options.

- Cancel the certificate voluntarily Pay all past due charges in full, pay the 2000 RAF or provide a date certain that it will be paid (such as 30 days from the date of the Commission Order cancelling your certificate), and write a letter requesting cancellation. A copy of our rule is attached.
- (2) Do nothing In this case, your certificate will be cancelled on the Commission's own motion. All outstanding RAFs, including penalty and interest charges, will be turned over to the Comptroller's Office for collection.
- (3) Propose a settlement There is normally a \$500 fine imposed for this rule violation. It should be noted that just paying the past due amount will not prevent

Ms. Michelle Zhu Page 2 November 21, 2000

your certificate from being cancelled. You need to write the Commission a settlement letter that must include the following:

- Docket number;
- A check for the past due amount in full;
- A statement that it has taken steps to prevent future late payments of the regulatory assessment fees and what those steps are; and
- Make a specific monetary settlement.

Any settlement offer should be addressed to Ms. Blanca Bayó, Director, Division of Records and Reporting, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. The proposed settlement amount should <u>not</u> be paid at this time, instead only the past due regulatory assessment fee, plus penalty and interest charges should be paid. The settlement amount, if approved by the Commission, must be paid within 10 business days after the Commission Order is issued.

Please let me know what your decision is by December 6, 2000. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

Sincerely,

Paula J. Isler, Research Assistant

On or before July 30 for the six-month period January 1 through June 30, AND On or before January 30 for the six-month period July 1 through December 31.

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the prior twelve-month period January 1 through December 31.

However, when July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee Return may be filed or postmarked on the next business day, without penalty or interest.

2. FEES: Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts.

On Line 8, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. Do not deduct any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.

3. FAILURE TO FILE BY DUE DATE: Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 11). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 12). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. EXTENSION: A request for an extension of time up to 30 days may be made by filing the enclosed Request for Extension to File Regulatory Assessment Fee Return form (PSC/ADM-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or 1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.
