Recommendation: Yes. The Commission should grant Ocala Springs Utilities, Inc.'s Amended Request for Extension of Time to File Information Pursuant to Orders Nos. PSC-98-1644-FOF-WS and PSC-98-1374-PCO-WS. As requested in its filing, the utility should be allowed until February 7, 2002, to file an application to establish initial rates and charges for the utility, along with the other supporting information required by Orders Nos. Moreover, staff recommends that Ocala Springs Utilities, Inc., be required to file a status report detailing the utility's progress within eight months of the issuance date of the Order that arises from this recommendation. Staff further recommends that the utility be put on notice that failure to file the information required by Orders Nos. PSC-98-1644-FOF-WS and PSC-98-1374-PCO-WS by February 7, 2002, may result in the initiation of certificate revocation proceedings pursuant to Section 367.111, Florida Statutes.
