Docket 991227-TI was opened by CMU/McCoy on 8/27/99 to cancel PREMIO Inc.'s IXC Certificate 5743 (assigned to LEG/Pena). PAA Order PSC-99-2053-PAA-TI was consummated by Order PSC-99-2239-CO-TI on 11/12/99, and Certificate 5743 was cancelled effective 8/15/99 per the PAA order.

Docket 991565-TI was opened 10/20/99 by CMU/Williams to cancel the same IXC certificate (assigned to LEG/Stern). PAA Order PSC-99-2253-PAA-TI cancelling the certificate effective 10/5/99 was issued 11/18/99 and is due for a consummating order today, 12/16/99.

The latter docket was obviously opened in error, but since it has gone through the entire process, with the exception of the consummating order being issued, I'm not sure what we should do about this.

Marlene and Kim, please review the files and let me know what your thoughts are.

CC: Jacquelyn Gilchrist, Kimberley Pena

Well, I'm not sure we should do anything at this point. In order to do an amendatory, we would have to take back a rec asking the Commission to reconsider its decision to cancel the certificate--which isn't what we would want to do since, obviously, we want it cancelled. Let us check and see if we can find past instances where this has occurred and determine how best to handle this. I have a feeling this is not the first time this has happened.

Williams

O.k., here's the plan. I think we need to do a recommendation to vacate our second our cancelling the certificate and closing the docket. Tommy, you would just explain that the certificate had already been cancelled by a prior order and that the second docket was opened in error. I guess you'll need to file a revised CASR to show a new staff recommendation date.

Kay, we sent down a consummating order on this docket this morning--could you please trash it in view of what we plan to do? Thanks.

Good catch, Sandy.
