Staff has reviewed ICG Telecom Group, Inc.'s (ICG) September 20, 1999 Notice of Intent to seek Confidential Classification of its answers to BellSouth interrogatories 17, 19 and 27.

ICG's request for confidential treatment of their answers to these interrogatories should be granted. These answers contain information that is proprietary to ICG such as the number of access lines ICG serves, negotiations of volume and term discounts by ICG with other ILECs and frame relay elements. Disclosure of this information could place ICG at a competitive disadvantage because other companies would know the costs of some of ICG's services. Accordingly, the data should be afforded confidential treatment, pursuant to Rule 25-22.006, Florida Administrative Code.
