Re: Acquisition of Coast International, Inc. – Docket 900174-TI

Dear Ms./Mr. Secretary:

This advice letter serves to inform the Commission of the planned acquisition of substantially all of the assets and control of Coast International, Inc. (CII), a wholly owned subsidiary of eGlobe, Inc., by Internet Services Provider Network, Inc. (ISPN), a Kansas Corporation.

CII is a switchless, non-facility-based reseller authorized to provide non-dominant interexchange services in Florida.

The general terms of the transaction involves the acquisition of CII assets by ISPN. As a consequence of this acquisition, eGlobe will divest its interest in CII. ISPN has agreed to proceed with the appropriate regulatory action with your organization prior to closing the transaction.

If there are any questions regarding this advice letter, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

Francis L. Young
