Docket 990649 – Investigation into Pricing of Unbundled Network Elements

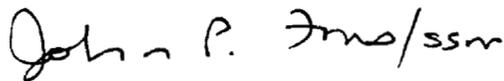

RE: Sprint cost study and testimony in Docket 990649 – UNE

Sprint – Florida, Inc. is filing the testimony and cost study in Docket 990649 – UNE with the Florida Public Service Commission on May 18, 2001. This is a lengthy filing comprised of three large binders of testimony, cost study spreadsheets, work papers and back-up documentation.

Because of the age of the docket and the volume of this filing, Sprint recently attempted to contact the parties of record via email to determine whether they wanted to receive all or a portion of the filing. This letter is a follow-up to that email contact.

If you desire to receive a copy of the filing in its entirety or the testimony only, please advise John Fons, Esq. either by phone at (850) 425-5431 or by email at [jfons@ausley.com](mailto:jfons@ausley.com). The filing contains confidential information; therefore, if you choose to receive a non-redacted version of the filing, a non-disclosure agreement will be required if one has not already been executed with Sprint – Florida.

Sincerely,

John P. Fons
