RE: Request for Cancellation of NAS' Certificate

Dear Ms. Isler:

Pursuant to your e-mail dated 8/1/01, Network Access Solutions encloses a check for \$56.00, which will cover our past due penalty of \$6 plus the \$50 RAF Fee for 2001.

NAS requests cancellation of our certificate due to our not providing service in Florida nor did we ever provide service in Florida. Therefore, we have no customers in the state of Florida to be notified or billed.

If you have any further questions, please call me.

Sincerely,

Don Sussman

To: 'dsussman@nas-corp.com'
Subject: Request for cancellation of your ALEC certificate

Dear Mr. Sussman:

On August 7th, I received a fax from you which stated that a check for \$56 was being mailed. Just wanted to let you know that as of today, September 19, it has not been received, therefore, a docket has not been established to grant Network Access a voluntary cancellation.

If our records are incorrect and you show a cancelled check, please let me know as soon as possible. Thanks, Paula.

To: 'dsussman@nas-corp.com'
Subject: Request for cancellation of your ALEC certificate

Dear Mr. Sussman:

In order for the Commission to grant a voluntary cancellation, Network Access Solutions (NAS) needs to pay a \$6 past due penalty and interest balance for late payments of the 1999 and 2000 RAFs, and either pay the 2001 RAF or provide a date certain it will be paid.

In addition, NAS needs to comply with Rule 25-24.820(2)(a), (b), (c), and (d), F.A.C. A copy of that rule is attached (WordPerfect document). As soon as payment and the information required by the above rule is received, I will open a docket to cancel your certificate. Please respond by August 16, 2001.

Let me know if you have any questions. My telephone number is 850-413-6502 and fax # is 850-413-6503. Thanks, Paula.

Subject: RE: Network Access

Ray - Of course we trust you. I think everyone should have access. I believe it will happen soon. In the meantime, if you want access you can request it from BIP.

Linda- the company paid their RAFs through 2000, but they owe \$6 in penalty and interest for paying late in 1999 and 2000. (I assume you are referring to Network Access Solutions Corporation).

Subject: RE: Network Access

Linda, you can't pick on me. They won't give me access to the data base (don't think they trust me). Barbara has access and she can check tomorrow.

Barbara, if you are not sure, please check with Jackie Knight. Thanks.

Hi Ray. Since Paula is out I'll pick on you. The above company has asked for cancellation of their ALEC cert. Can you tell me if they are paid up on RAFS and if it's ok to open the docket to cancel cert? Thanks Ray.
