I got an "out-of-office" from Jackie and have not received a reply from any other staff concerning the question below.

We are nearing completion of the agenda and, if we have not heard back from staff by 9:15, must show these two dockets without the "PAA" designation.

If the dockets are truly PAA, you will need to make a verbal correction at agenda.

Kay

Jackie, these are the dockets where the recs failed to indicate "consent ag"—and both were corrected in that regard. However, what we have now discovered is that neither rec indicates the action is PAA, and I believe both should be shown as PAA. Can you confirm that they are PAA?

We can go ahead and indicate on the agenda page that the dockets are PAA, but someone will need to make a verbal correction at agenda.

Please let me know.

Kay
