- **11/19/01** - This docket was deferred from the November 19, 2001 Agenda Conference.

DISCUSSION OF ISSUES

**ISSUE 1:** Should the Commission accept the settlement offer proposed by Easy Phone, Inc. d/b/a Easy Tel, Inc. to resolve the apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

**RECOMMENDATION:** Yes. The Commission should accept the company's settlement proposal. Any contribution should be received by the Commission within fourteen (14) days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the company fails to pay in accordance with the terms of the Commission Order, Certificate No. 4769 should be canceled administratively. (Isler)

**STAFF ANALYSIS:** Rule 25-4.0161, Florida Administrative Code, which implements Section 364.336, Florida Statutes, requires the payment of regulatory assessment fees by January 30 of the subsequent year for telecommunications companies, and provides for penalties and interest as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

After this docket was opened, the Commission received the company's payment for the outstanding regulatory assessment fee, including statutory penalty and interest charges, and a letter from the company which offered to pay a \$500 contribution and proposed to pay future RAFs on a timely basis. In addition, the company's settlement proposal included a waiver of objection to the administrative cancellation of the company's certificate in the event the settlement proposal is accepted and the company ultimately fails to comply with the terms of its offer.

This is the second docket established for the same rule violation. In the prior docket, No. 992038-TX, the company paid the past due amount and proposed a \$100 settlement. On September 19, 2000, Order No. PSC-00-1679-AS-TX was issued, which accepted the settlement. The company paid the \$100 contribution and the docket was closed. The recommended settlement amount in this docket is consistent with amounts the Commission has accepted for recent, similar violations.

DOCKET NO. 011130-TX  
DATE: FEBRUARY 7, 2002

Accordingly, staff believes the terms of the settlement agreement as summarized in this recommendation should be accepted. Any contribution should be received by the Commission within fourteen (14) days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the company fails to pay in accordance with the terms of the Commission Order, Certificate No. 4769 should be canceled administratively.

**ISSUE 2:** Should this docket be closed?

**RECOMMENDATION:** If the Commission approves staff's recommendation in Issue 1, this docket should be closed upon receipt of the \$500 contribution or cancellation of the certificate. (J. Elliott)

**STAFF ANALYSIS:** If the Commission approves staff's recommendation in Issue 1, this docket should be closed upon receipt of the \$500 contribution or cancellation of the certificate.
