Re: Docket No. 011073-WS, Application for Increase in Water and Wastewater Rates in Broward County by Ferncrest Utilities, Inc.

Dear Mr. Erwin:

Staff has reviewed the utility's revised minimum filing requirements (MFRs) submitted on March 21, 2002, on behalf of the above-mentioned utility. Based on our analysis, we believe that the MFRs are still deficient. The specific deficiencies are identified below:

A. RELATED PARTY COST ALLOCATIONS

Rule 25-30.436(4)(h), Florida Administrative Code, states, in part, any system that has costs allocated or charged to it from a parent, affiliate or related party, in addition to those costs reported on Schedule B-12, shall file three copies of the additional information described in Rule 25-30.436(4)(h), FAC. Based on the information previously submitted, the utility needs to provide how the allocated amounts of \$1,000 and \$600 originated from \$7,455 and \$3,330 for Luis Pena (Computer Support) and ADP/Oasis (Payroll Processing), respectively. The utility should submit this information in order to provide sufficient detail of its related party costs. If any parts or sub-parts are not applicable, please provide a statement stating such.

Your petition will not be deemed filed until we have received the required information mentioned above. These corrections should be submitted no later than April 9, 2002.
