Dear Mr. Rasmussen:

The Florida Public Service Commission will conduct an audit to Establish rate base for transfer purposes as of May 31, 2002, in accordance with Commission audit procedures. Access will be requested to documents and records of the utility and, if necessary, supporting records for affiliate company transactions that affect regulated operations. Staff auditors may also request to review the utility's external audit working papers for the most recent independent audit. Mr. Jim McPherson, the Tampa district office supervisor, will coordinate this audit. Mr. McPherson can be reached at (813) 356-1444. Questions regarding the audit or audit staff should be directed to the district supervisor or myself. My phone number is (850) 413-6487.

The Audit Access to Records rule for each industry states:

AUS In those instances where the utility disagrees with the auditor's assessment of a CAF reasonable response time to the audit request, the utility shall first attempt to CMP discuss the disagreement with the auditor and reach an acceptable revised date COM If agreement cannot be reached, the utility shall discuss the issue with successive CTR ECR levels of supervisors at the Commission until an agreement is reached.
