1 The Debtors hereby file this request (the "Request") for the entry of an order on a
2 default basis on the Debtors' motion (the "Motion") for the entry of an order fixing the time
3 for filing proofs of claim by governmental units in these chapter 11 bankruptcy cases. A
4 copy of the Motion and the declaration of Gary Cuccio in support of the Motion are
5 attached as Exhibits A and B respectively to the declaration of Ori Katz (the "Katz
6 Declaration") filed in support of the Request. The certificate of service and supplemental
7 certificate of service for both the Motion and the Cuccio Declaration are attached as
8 Exhibits C and D respectively to the Katz Declaration.

9 The Debtors filed the Motion on August 16, 2002, in order that they may promptly
10 file and seek approval of their plans of liquidation and accompanying disclosure
11 statements. The uncertainty regarding the amount of liabilities owed by the Debtors to
12 certain taxing authorities and other priority claimants has delayed the Debtors from
13 formulating their plans of liquidation. The amount of the priority claims ultimately
14 asserted against the Debtors is crucial to the Debtors' decisions in connection with their
15 plans.

16 I.

17 FACTUAL BACKGROUND

18 The Debtors commenced these cases on May 2, 2002 (the "Petition Date") by filing
19 voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the
20 "Bankruptcy Code"). The Debtors continue to operate their business and manage their
21 affairs as debtors and debtors in possession pursuant to §§ 1107(a) and 1108 of the
22 Bankruptcy Code.

23 Prior to the Petition Date, Debtors provided local telephone, Internet, and data
24 services to small- and medium-sized business in medium-sized U.S. cities. Debtors
25 operated in eight states—California, Connecticut, Nevada, Maryland, New York, Oregon,
26 Virginia and Washington—and serviced approximately 35,000 customers.

27 In the three-month period following the Petition Date the Debtors closed three asset
28 sales for different portions of their business, yielding cumulative sale proceeds of nearly \$3

1 million. In addition, the Court has authorized the Debtors' sale of substantially all of their
2 assets to General Electric Business Productivity Solutions, Inc. ("GEBPS"). The sale to
3 GEBPS is projected to close in October of 2002.

4 As to the portions of the business that the Debtors did not make available for sale,
5 the Debtors efficiently wound down their operations in accordance with the relevant state
6 and federal regulatory requirements.

7 II.

8 DISCUSSION

9 The Debtors noticed the Motion on a "scream or die" basis pursuant to Bankruptcy
10 Local Rule 9014-1(b)(3). The deadline for filing and serving any objection to or request
11 for hearing on the Motion was September 6, 2002.

12 As of the date of this Request the Debtors have not received any objections from
13 any of the parties affected by the Motion. A printout of the Court's docket report from the
14 PACER website confirms that no objections with respect to the Motion have been
15 docketed as of September 10, 2002. A copy of that printout is attached to the Katz
16 Declaration as Exhibit E.

17 III.

18 CONCLUSION

19 The Debtors respectfully request that the Court establish September 30, 2002 as the
20 deadline for the filing of proofs of claim by governmental units and grant such further
21 relief as the Court deems appropriate.

DEBTORS' MOTION FOR ORDER SHORTENING THE
TIME FOR FILING OF PROOFS OF CLAIM BY
GOVERNMENTAL UNITS

1 **TO THE HONORABLE ALAN JAROSLOVSKY, THE UNITED STATES**
2 **TRUSTEE, PARTIES ON THE LIMITED NOTICE SERVICE LIST AND**
3 **GOVERNMENTAL UNITS:**

4 PLEASE TAKE NOTICE that Advanced TelCom Group, Inc., Advanced TelCom,
5 Inc. and Shared Communications Services, Inc., debtors and debtors in possession in the
6 above-captioned bankruptcy cases (collectively, the "Debtors"), hereby file their motion
7 (the "Motion") for the entry of an order fixing the time for filing proofs of claim by
8 governmental units in these chapter 11 bankruptcy cases.

9 PLEASE TAKE FURTHER NOTICE that Bankruptcy Local Rule 9014-1 of the
10 United States Bankruptcy Court for the Northern District of California prescribes the
11 procedures to be followed and that any objection to the requested relief, or a request for a
12 hearing on the matter, must be filed and served upon the Debtors' counsel (at the address
13 indicated on the caption of the Motion) within 20 days from the date of mailing of the
14 notice.

15 PLEASE TAKE FURTHER NOTICE that a request for a hearing or objection must
16 be accompanied by any declarations or memoranda of law the party objecting or
17 requesting wishes to present in support of its position.

18 PLEASE TAKE FURTHER NOTICE that if there is not a timely objection to the
19 requested relief or a request for hearing, the Court may enter an order granting the relief by
20 default. The Debtors will give at least 10 days written notice of hearing to the objecting or
21 requesting party, and to any trustee and the committee of unsecured creditors (the
22 "Committee") in the event an objection or request for hearing is timely made.

23 The Motion is based upon the Motion, the Declaration of Gary Cuccio in support of
24 the Motion (the "Cuccio Declaration"), all pleadings and other documents on file with the
25 Court in this matter and such further evidence as may be admitted by the Court. In support
26 of the Motion, the Debtors respectfully represent as follows:
27
28

1 The Debtors have filed the Motion in order that they may promptly file and seek
2 approval of their plans of liquidation and accompanying disclosure statements. The
3 uncertainty regarding the amount of liabilities owed by the Debtors to certain taxing
4 authorities and other priority claimants has delayed the Debtors from formulating their
5 plans of liquidation. The amount of the priority claims ultimately asserted against the
6 Debtors is crucial to the Debtors' decisions in connection with their plans.

7 The Debtors will be unable to file meaningful plans until (1) all of the governmental
8 units file proofs of claim or (2) the deadline for the filing of proofs of claim passes. While
9 the last date to file proofs of claim for all creditors other than governmental units is
10 September 5, 2002, the Debtors request that the Court enter an order setting September 30,
11 2002 as the deadline for the filing of proofs of claim by governmental units.

12 I.

13 BACKGROUND

14 The Debtors commenced these cases on May 2, 2002 (the "Petition Date") by filing
15 voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the
16 "Bankruptcy Code"). The Debtors continue to operate their business and manage their
17 affairs as debtors and debtors in possession pursuant to §§ 1107(a) and 1108 of the
18 Bankruptcy Code.

19 Prior to the Petition Date, Debtors provided local telephone, Internet, and data
20 services to small- and medium-sized business in medium-sized U.S. cities. Debtors
21 operated in eight states—California, Connecticut, Nevada, Maryland, New York, Oregon,
22 Virginia and Washington—and serviced approximately 35,000 customers.

23 In the three-month period following the Petition Date the Debtors closed three asset
24 sales for different portions of their business, yielding cumulative sale proceeds of nearly \$3
25 million. In addition, the Court has authorized the Debtors' sale of substantially all of their
26 assets to General Electric Business Productivity Solutions, Inc. ("GEBPS"). The sale to
27 GEBPS is projected to close in October of 2002.

28

1 As to the portions of the business that the Debtors did not make available for sale,
2 the Debtors efficiently wound down their operations in accordance with the relevant state
3 and federal regulatory requirements.

4 II.

5 DISCUSSION

6 Federal Rule of Bankruptcy Procedure 3003(c)(3) requires the bankruptcy court to
7 fix the time within which a proof of claim may be filed. Fed. R. Bankr. P. 3003(c)(3); see
8 also In re Prestige Limited Partnership-Concord, 234 F.3d 1108, 1118 (9th Cir. 2000).

9 The Court has set September 5, 2002 as the deadline for the filing of proofs of claim
10 by all creditors (except governmental units), and October 28, 2002 as the deadline for the
11 filing of proofs of claim by governmental units. The Debtors request that the Court
12 shorten the deadline for the filing of proofs of claim by governmental units to September
13 30, 2002.

14 The Debtors have reached a turning point in these chapter 11 cases. In order to
15 expedite the plan process and achieve the best possible result for the Debtors' and their
16 estates it is crucial that the Debtors move quickly and decisively towards plans of
17 liquidation. The major impediment to the Debtors desired course of action is the
18 uncertainty surrounding the personal property tax bills of certain governmental units. If
19 early indications are a predictor of what lies ahead, the Debtors anticipate that many of
20 their personal property tax bills will be grossly overstated because they are based on
21 inaccurate assessments of the value of the Debtors' personal property. Indeed, the Debtors'
22 estimate that in most instances their personal property tax bills should be reduced by
23 approximately 90% in order to accurately reflect the value of the Debtors' personal
24 property.

25 By setting September 30, 2002 as the deadline for the filing of proofs of claim by
26 governmental units, the Court can expedite the process by which the Debtors assess and
27 dispute their priority claims, and ultimately formulate plans of liquidation. The
28 governmental units will not be prejudiced because they will have over 150 days from the

1 Petition Date to prepare and file their claims. The Debtors and their estates will benefit
2 because shortly after the deadline passes the Debtors will object to claims as necessary and
3 determine the proper course for development of plans.

4 The Debtors believe that the above course of action is in the best interests of their
5 estates and all creditors, will lead to the prompt development of plans of liquidation and
6 expedite the process for paying dividends to creditors.

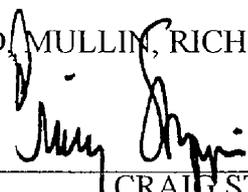

7 III.

8 CONCLUSION

9 The Debtors respectfully request that the Court establish September 30, 2002 as the
10 deadline for the filing of proofs of claim by governmental units and grant such further
11 relief as the Court deems appropriate.

) Chapter 11

) **ORDER SHORTENING THE TIME FOR
FILING OF PROOFS OF CLAIM BY
GOVERNMENTAL UNITS**

[No Hearing Required]

1 On August 16, 2002 the above-captioned debtors (the "Debtors") filed their
2 motion for an order shortening the time for the filing of proofs of claim by governmental
3 units. The Debtors served the Motion on each of the governmental units listed on the
4 certificate of service and supplemental certificate of service attached to this Order.

5 The Debtors noticed the Motion on a "scream or die" basis pursuant to
6 Bankruptcy Local Rule 9014-1(b)(3). The deadline for filing and serving any objection to
7 or request for hearing on the Motion was September 6, 2002. The Debtors did not receive
8 any objections to or requests for hearing on the Motion, and the docket indicates that no
9 objections or requests for hearing were timely filed.

10 The Court, having considered the Motion, the declaration of Gary Cuccio
11 filed in support of the Motion, the Debtors' request ("Request") for the entry of an order on
12 a default basis, and the declaration of Ori Katz in support of the Request; the Court finding
13 that notice of the Motion and the Request is sufficient under the circumstances; and that
14 cause exists to grant the relief requested in the Motion;

15 IT IS HEREBY ORDERED that:

- 16 1. The Motion is granted.
- 17 2. September 30, 2002 is the deadline for the filing of proofs of claim by the
18 governmental units set forth on the certificate of service and supplemental certificate of
19 service of the Motion.
