Yes, we'll add Terry's name in the docket parties list, on the "attention" line.

FYI, our utility information database (a database separate from our case management database) does have Terry as contact person.

Kaye - I noticed when I was able to view the docket on the website that our new address is input correctly but Terry Craine's name as contact was removed. Can that contact name be added? Otherwise it appears that correspondence from your offices would arrive without anyone's name on it. Please advise. Thanks. Eugene

Jessica, we have reopened this docket so the cert. can be reinstated, since the company filed for bankruptcy prior to our cancellation of their cert.

Do we need to change the docket title?
