No, maybe we got turned around in the conversation. I thought we were just going to place it as information only because we vacated all we had jurisdiction on. Anyway, I e-mail Terri and asked just what she intented when she mailed the letter. Haven't got a reply yet.

Tommy, my understanding from talking with you on 5/31 was that the Commission would need to take action on the vacate request they filed.

Based on a conversation with Kay Flynn 5/31/02, 11:45a, it was my impression that this correspondence would be placed in the files to indicated (if needed in the future) that the company did not have to file bankruptcy (page 2 paragraph 2) as first indicated in their application.

Since we have already vacated the order granting the assignment and name change in PSC-02-0344-FOF-TI, Issued 3/14/02, there is nothing else that this Commission needs to do. We do not deal with the bankruptcy portion.

Unless legal thinks different please close the docket and place the correspondence in the file as information only.
