I think it would be a good idea to include that letter in the record so that we can then go ahead and close out the docket.

We received a letter this morning from Cronus Telecom stating they are in the process of closing administratively and that they "no longer have active prepaid cards in the market" and all of their services have been suspended for months.

Should this letter go in the docket for their IXC cert application, 020232-TI?
