Marshall M. Criser III, Vice President Regulatory & External Affairs BellSouth Telecommunications, Inc. 150 South Monroe Street, Suite 400 Tallahassee, Florida 32301-1556

Re: Docket No. 020526-TP

Dear Mr. Criser:

This will acknowledge receipt of a request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and KMC Telecom Holdings, Inc., which was filed in this office on June 14, 2002, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6248 or FAX (850) 413-7180.

RE: 020508-TP, 020513-TP, 020526-TP - BST/KMC Holdings

For the most part, yes they were handled. In this case, each docket refers to KMC Holdings, Inc. which is not a certificated company. As we discussed with Kathleen at BST, the agreement covers three different certificated KMC entities.

For tracking purposes, it would be helpful if we can find and track agreements based on the ALEC and/or the incumbent LEC). In Docket No. 010794-TP (between Smart City and various KMC entities) all three ALECs are listed.

In addition to the above, we believe the Docket title should be amended to include each company name. My suggestion is:

Request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and KMC Telecom Holdings, Inc. (KMC Telecom III, Inc., KMC Telecom III LLC and KMC Telecom V, Inc.)

TA058

TX 2.97

TX470

The reason for listing each company name is because KMC has other entities that are not covered under the agreement.

company added

I'm pretty tied up this morning with meetings, and have to go in agenda at 9:30. We could possibly get together this afternoon if agenda ends at a reasonable time.

But -- I thought those had been solved to the best of staff's ability?

Kay, if you have a few minutes, I would like to come down and talk with you about the above companies.

Thank you,

Jeff Bates
